Tree-Membrance Program

The City of Warrenton's Tree-Membrance Program offers participants a unique way to honor a loved one by donating a tree to a City park. The Grounds & Maintenance Department will plant a tree in your selected park and attach a tree tag to it listing the name of the donator(s) and name of the honored person. Trees can grow for several hundred years, making them an enduring, living memorial for a loved one or a wonderful way to honor someone.
